

## **MEMBERSHIP COVENANT OF NORTHWEST COMMUNITY CHURCH**

I \_\_\_\_\_, as a member of Northwest Community Church, having professed Jesus Christ as my Lord and Savior, commit to pursuing a growing relationship with the Lord Jesus Christ and developing relationships with other members of the church.

I will value the fellowship of our church family.

I will act in love towards others.

I will refuse to gossip and stir up dissension.

I will honor and submit to the leaders of our church.

I will resolve conflicts through the scriptural, disciplinary guidelines of our church.

I will participate in the ministry of our church family.

I will attend faithfully and give generously.

I will grow in my relationship with the Lord through Bible study by joining a small group.

I will discover my gifts and talents and use them in ministry.

I will develop a servant's heart and find a place to serve.

I will be a partner in the mission and vision of our church family.

I will pray for its health and growth.

I will invite others to attend.

I will warmly welcome those who attend.

I will share Christ as I have opportunity both here and around the world.
